

SAFE PETS SAFE FAMILIES

We get an overwhelming request for help from people that genuinely cannot afford their vet bills or even get their pet to a vet, and we can't always help, especially outside of SA. I have made a list of other organisations or options that can also support people on limited incomes.

Desexing

If you have a unwanted litter a lot of rescues will rehome the kittens or puppies and desex the mum for free in South Australia, Paws & Claws ([Form here](#)) and RSPCA both offer this service. RSPCA are offering free desexing for a limited time in conjunction with the Onkaparinga council ([access offer here](#))
